**Subject:** Bradford Island (sf)

Hello Erik and Amy,

I've been assigned as the project manager for EPA at Bradford island. I was hoping to schedule a time to talk with whomever is appropriate at the staff level for the Cowlitz Tribe to get your input on things and whether the Tribe would like to have ongoing technical input.

Do you have any times that work best for you next week that I could send you an invitation for an hour of your time?

Thank you.

S
